Now you can select from eight color choices for your self-inking Notary Seal. The color choice is for the seal casing only and not the ink, which will be black.

Our Notary seal produces clear, crisp impressions every time and fits perfectly in your hand. And they come guaranteed through your entire notary term.

Check the box by the color of your choice. If you do not choose a color, then you will receive a grey Notary seal. This is for the seal that is included with your notary package. Colors are no additional charge.
